

Sustainability Workshop

3rd Feb 2022 - 10.30am – 12pm

Free Workshop

Join us for an online introductory workshop to support delegates with implementing practical sustainability action. All delegates will be able to work on their business and take away tangible results in a form of a visual plan. The workshop has been designed to be suitable for all businesses wherever they are on their sustainability journey.

The workshop will include:

- Welcome video outlining basics of sustainability along with the programme and required preparation
- Use of the YouTree Sustainability Steering Wheel and guidance notes for all attendees via download.
- 90-minute workshop with training and coaching to enable all participants to create and take away a basic and visual sustainability plan.

OUTCOMES:

- Delegates will gain a greater understanding on how sustainability interacts with their business from both global and local perspectives.
- Delegates will understand how to engage internal and external stakeholders and how each are impacted through sustainability.
- Delegates will understand the parameters to include in a sustainability plan.
- Delegates will create a visual sustainability plan relevant to their business that outlines areas for future attention.

Cost: Free - "This project has received funding through the Welsh Government Rural Communities - Rural Development Programme 2014-2020, which is funded by the European Agricultural Fund for Rural Development and the Welsh Government.

Date: Thursday 3rd Feb 2022

Time: 10.30am – 12pm
